Speech-Language Pathologist (New Graduates Welcome!)

Hybrid Position | Pediatric Population | Supportive Team Environment

Location: Victoria, BC

Job Type: Full-Time (Hybrid – In-Person & Virtual Sessions)

Start Date: August 2025

About Us:

At Aspire, we are dedicated to supporting children with diverse communication needs through evidence-based, compassionate care. Our team works collaboratively to provide high-quality services in both clinical and educational settings.

We are currently seeking a **Speech-Language Pathologist** to join our growing team. This is an excellent opportunity for a **recent graduate** who is passionate about making a difference in the lives of preschool and school-aged children.

What We Offer:

- A blended caseload with both **virtual and in-person** sessions (ability to work from home a few days per week)
- Opportunities to work in **clinic** and **school** environments
- **Supervision and mentorship** from experienced SLPs
- **Collaboration** with a multidisciplinary team including OTs, BCBAs, and educators
- Flexible scheduling and a supportive workplace culture
- Access to resources, professional development, and clinical tools

Responsibilities:

- Provide speech and language therapy to children ages 2–18 in individual and small group settings
- Supervise communication assistants
- Provide virtual therapy sessions
- Develop and implement therapy plans based on individual goals
- Conduct evaluations and write comprehensive reports
- Communicate regularly with families, caregivers, and team members
- Maintain accurate documentation and adhere to professional guidelines and timelines

Qualifications:

#3-415 Dunedin Street
Victoria, BC, V8T 5G8
(778) 677-2984
www.aspirepreschoolvictoria.com

- Master's degree in Speech-Language Pathology from an accredited program
- Registration with the College of Health and Care Professionals of BC
- Passion for working with children and families
- Strong communication and collaboration skills
- Ability to work both independently and as part of a team

Preferred but not required:

- Experience with virtual service delivery or teletherapy platforms
- Exposure to school-based and/or pediatric clinical settings during internships or practicums

To Apply:

Please submit your resume, cover letter, and references to sarahstepaniuk@gmail.com
